Global USA

Global USA	(251) 460-6283
Associate VP for Global Engagement	Dr. Richard W. Carter
Coordinator, Global USA Support Services	Ms. Sharon Leinhos

Global USA is a division of Academic Affairs and is the central international office for the University of South Alabama. This division supports the University's Strategic Priority of Global Engagement by working with colleges, departments, faculty, staff, students and the Mobile area community to facilitate the comprehensive internationalization of the University of South Alabama. Global USA encompasses all international and continuing education offices on the university's main campus in Mobile as well as our satellite campus in Fairhope, Alabama.

The Office of Immigration is designed to handle immigration and compliance for both students and scholars. The Office of International Admissions and Student Programs is specifically designed to assist with admissions, support services, and activities for international students and scholars. The Office of Global Outreach is in charge of all international recruiting. The Office of International Education connects students to study abroad programs in a variety of countries, facilitates foreign exchange programs and works with international partnerships. The Center for Continuing Education and Conference Services designs international and domestic camps, offers training programs and certificate programs, plans conferences and special events as well as provide continuing education for adults. USA Baldwin County offers another location for students to take credit and non-credit courses as well as being the site for many university and community events.

Global USA is here to serve and support our international students and scholars as well as our domestic students who are interested in traveling and studying all over the world.

The mission of the Center for Continuing Education and Conference Services (CCE or the Center) is to provide innovative and in-demand educational programs and experiences to the Mobile, Gulf Coast and international communities focused on growing strategic partnerships, providing student enrichment opportunities and encouraging economic, civic and cultural development. The CCE offers professional and career development opportunities through noncredit seminars, courses and certificate programs. The Center also works with local businesses and industry to provide custom training solutions. In addition, the CCE enriches the lives of individuals who seek to invigorate their minds through noncredit enrichment course offerings including: foreign languages, art, music, literature, and leisure activities. The Center administers the awarding of Continuing Education Units (CEUs) and issues transcripts for noncredit courses, workshops, and conferences.

Workforce Development

The CCE offers continuing education programs for the working professional in the form of seminars, workshops, conferences, and short-term courses. University faculty, along with field experts, actively participate in the development and instruction of these programs. Staff members focus on meeting the needs of our regional community partners by assisting them in building human capital.

The CCE Safety and Emergency Response Training program serves industry, government and other agencies with state-of-the-art instruction in the handling of hazardous materials and emergency spills, technical rescue and incident command in accordance with state and federal regulations. The Center also offers training programs in mental health and crisis intervention for first responders and other primary responders such as school counselors and hospital personnel.

Career Development

Certificate programs are available for individuals seeking new careers or ways to advance in their current profession. Some of our certificate programs are Paralegal Studies, Photography and Medical Billing and Coding.

Recognizing that members of the community may need more flexibility than traditional in-person classes, the CCE has partnered with some of the most widely recognized providers of online educational courses to bring students learning opportunities in a plethora of areas for both professional development and personal enrichment.

Personal Enrichment

The CCE offers noncredit classes for adults in a number of areas for personal enrichment. Whether it is to learn a new hobby or simply have fun, the CCE selects instructors who are experts in their fields to provide engaging quality courses in a wide variety of topics including foreign languages, photography, music and physical activities.

Odyssey USA is the University's Institute for Learning in Retirement in Mobile. Senior adults have the opportunity to attend noncredit classes that are designed to satisfy the quest for knowledge in areas of the arts, history, music, literature, and other interesting disciplines. These students enjoy a broad selection of classes and events year-round. Courses are offered in four 6-week terms, and students may choose to take just one course at a time, or they may choose to take all that are offered. No membership fee is required; students only enroll in and pay for the courses that interest them.

Test Prep

With test preparation courses for the GRE®, GMAT®, LSAT®, Praxis®, SAT® and ACT®, the CCE is the Gulf Coast's leading test prep solution for admission exams. These courses are designed to strengthen students' performance in all core areas that are covered in the examinations, providing them a greater chance of success and a competitive edge among their peers. Also offered is a Part 107 Remote Drone Pilot Ground School to prepare students with the technical and practical understanding of the regulations, procedures, and aeronautical knowledge necessary to take and pass the FAA Part 107 Remote Pilot Certification Knowledge Test and receive their Remote Pilot rating which is required for commercial drone applications.

Summer Programs, Camps And Conferences

The CCE serves as a resource for event administration, registrations and payment processing for university departments and external groups. For external groups seeking to hold events at USA, the Center coordinates arrangements for University facilities and services. Our professional staff also provides event management services for educational events off-site. As part of Global USA, the Center assists other university departments with the logistics, coordination and management of short-term, non-credit international cohorts. Additionally, the CCE develops custom short-term, non-credit programs with academic enrichment and cultural components for domestic and international groups.

The University of South Alabama Baldwin County (USABC) was established as a campus of the University in August, 1984, to offer higher education in one of the fastest growing and most diverse counties in Alabama. USABC offers upper-level (junior and senior) undergraduate courses, graduate courses, and non-credit programs. The campus is in downtown Fairhope. The

classroom complex is at 111 St. James Avenue, the corner of Summit Street and St. James; and the College of Nursing building at 161 N. Summit Street.

Academic offerings include courses leading to Bachelor's degrees in Interdisciplinary Studies, Communication, Criminal Justice, Elementary Education, Emergency Medical Services and Nursing Accelerated BSN Track. Courses in business, education, and liberal arts are offered each semester which can be used as credit in a variety of degree programs. Faculty who teach these courses are hired by the University's academic divisions.

Computer services are provided for students and faculty. Classrooms have internet access and audio-visual equipment. The administration building contains a computer laboratory and computers are available in the building's lobby for use during business and class hours. An additional computer lab is located at the Classroom Complex.

Credit courses are offered during the day and the evening in Fairhope. Most evening courses meet once per week and day time courses meet in a variety of formats. USABC students are eligible for on-line courses scheduled by the academic departments. Check the USABC website for the complete schedule of courses for each semester.

Printed materials for admission, academic programs, financial aid and student services are available. Academic advising is available, by appointment, on the campus.

USABC supports the University's mission of public service by working cooperatively with community organizations. The Fairhope Film Festival is co-sponsored by USABC and is held in the USABC Performance Center, USABC co-sponsors Leadership Baldwin County which is open to adults in the county. Special events are held on the USABC campus throughout the year.
