

**THE UNIVERSITY OF SOUTH ALABAMA
DEPARTMENT OF MATHEMATICS AND STATISTICS
Non-tenure-track 12-mo positions in Mathematics and Statistics**

The University of South Alabama Department of Mathematics and Statistics invites applications for four non-tenure-track, continuing, 12-month Instructor/Assistant Professor positions in Mathematics and Statistics, starting August 15, 2017.

The Instructor/Assistant Professor positions are renewable subject to annual review and evaluation and the needs of the University. In addition to teaching, responsibilities will involve advising, course development, committee service, and other teaching-related activities.

Applicants for the positions must have at least a Master's degree in Mathematics, Statistics, or a related field. Applicants should have a strong commitment to teaching and teaching related activities. Applications should be submitted online at www.mathjobs.org and should include a cover letter, vita, and a statement of teaching philosophy, three letters of recommendation. Review of applications will begin on January 9, 2017, and continue until the positions are filled. We cannot accept applications submitted directly to department faculty.

Applicants invited for interview will be asked to complete their applications by arranging for three original signed letters of recommendation and official graduate and undergraduate transcripts to be sent directly to the department.

The University of South Alabama is an EO/AA employer and does not discriminate on the basis of race, color, national origin, sex (including pregnancy, sexual orientation, gender identity and gender expression), religion, age, genetic information, disability, or protected veteran status.
